THE RATHBUN CO.

TO OUR **PATRONS** AND FRIENDS

This is our message at the close of another year's trade—the most successful and most pleasant in the history of our business.

The most successful because of the greater volume of business, and the most pleasant because of the smoothness with which everything was run, and the consequent general satisfaction.

This year we are going to do a greater business with greater ease.

We commence to-day by showing a full line of goods suitable for EVENING WRAPS, CAPES, COATS, etc., in BROADCLOTHS, KID GLOVE CLOTES, MELTONS, WOOL POPLINS. PIRLE FINISH VENETIAN, SILK POPLIN, etc.

With a full line of Furs for linings and trimmings, such as SABLE, MINK, SQUIEREL, HAMSTER, RABBIT, THIBET, etc.

NOTICE—Any of these goods can be made on our premises on short notice to suit any taste or fancy.

Great Clear-up Sale

Men's & Boys' Clothing

The longer we are in business the better we learn the lesson that it is wise to lose money at the right time. A few of a kind are a clog to business, wasting the customer's time and ours hunting for sizes. We are therefore clearing up our stock before the new Spring Goods arrive—marking them at cost and less. THIS ISN'T AN ORDINARY SALE—THESE ARE NOT ORDINARY PRICES.

OVERCOATS—MEN'S AND BOYS—We have about one hundred and twenty Men's and Boys' Cvercoats, a number of which were the clearing lines we secured from the "Sanford Co." and advertised at special prices a lew weeks ago. Now every Overcoat in the place is on sale at 25 per cent reduction from the marked price. This gives a man a chance to buy an Overcoat at half the regular retail price.

DON'T MISS THIS GREAT SALE.

The occurrence of the council of the council of the property of the council of the council of the council or the council to council or the council to co R. J. Fowler, of Orillia.

February 19, 1903.

It is with gratitude that I can testify to the curative properties of Iron-ox. I was so badly troubled with dyspepsia that whatever I ate caused me so much torture that eating became a dread to me. I was induced to try Iron-ox. I was completely cured and have not had a return of the trouble since. I can safely recommend your medicine to any suffering from dyspepsia or indigestion.

ANNIVERSARY WEEK FROM FEB. 29 TO MARCH 5.

When is Your Birthday?

A store's growth is a good standard by which to gauge public appreciation, but perpetual crowds are better. While we have enjoyed a most remarkable expansion, the true test of public appreciation finds its strong est and most emphatic expression in the steady throng of buyers that patronize this store. Just one year ago we opened our doors to the public. Now we look with pride on the year just closed, and wish to thank our patrons for their generous support. In order to show in a substantial way our appreciation of this fact, beginning Monday, Feb. 29th, we will inaugurate our

Monday, March 7th

This advertisement is given to this one great piece of news-for it is great for a store to plan economies for thousands of people—for a store to turn its powers and energies to ten days selling a stock at near a half the usual price. And this bargain has been most carefully planned by us. We do not want any reader to think that we do things for buncombe. This is a settled great business. Now to win such a business, without patents, monopoly, trust methods or combination, depends on us doing our utmost best for our public each day. The field is clear for any other firm to win the same sort of a business. It is the science of doing things best that wins.

Men's Furnishings and Clothing will be on sale in our Men's Store and the Dry Goods and Carpets will be sold in our Carpet Room. Remember we want to sell it in ten days and therefore have marked all at prices that mean ten days of the liveliest selling Napanee ever saw.

...Clothing to Order...

There are two classes of tailoring that are not desirable

FIRST — There's the high-priced fellow that charges you \$25.00 for a suit and \$5.00 for putting his name on it—the swell, puffed up chap who makes good clothes, but charges unreasonable prices for them.

SECOND—There's the Cheap John fellow, who aims to give you a fine custom made suit for \$11 oo \$12 oo. Poor stuff, at best. You'll never buy but te suit of him. Far better buy your suit ready made.

We come to the Rescue.

Our kind of tailoring is the GOOD KIND—with-

Bankrupt Stock Sale!

We promised you ten days of the liveliest selling that Napanesans ever saw in March. We have lived up to it. Thousands of satisfied customers can tell about the real live bargains they received. Our stores were not large enough to accomodate the crowd who seeponded to our announcement. Fact of the matter is that hundreds were not served. There are still a lot of bargains for many comers yet. There were piles of stuff under the tables that now have display space above. For instance most of the Linenettes, Waist Linings, Cambrics, Canvas, etc., were overlooked. They make good picking at 60c on the dollar. Dress Goods were not all sold either. If you have a need for any be quick. Women's and children's Hociery and Underwear, Yaras, Flannelettes, Shirtings, Umbrellas, Velyets, Skirtz, Raincoats, Jackets, Ribbons, Ingrain Carpets, Buttons, Crotonnes, Art Sateens, Muslins, Prints, Ginghams, Sateens, Table Linens, Towels, Wrapperettes, Flannels, Shirt Waists, Art Muslins, etc., all spell bargains yet.

In Our Men's Store.

You will find the store filled to overflowing. We had already a stook of our own that filled the store, and then just think of putting in almost \$5,000 more of Men's Furnishings and Clothing.
